## Curiosity Corner Parent Survey

Dear parents,

I have thoroughly enjoyed getting to know you and your children over the last few weeks! It is about time to renew our parent agreements and I look forward to receiving feedback when I have the opportunity to sit down individually with you. In the meantime, I am hoping you can take a minute to fill out the following survey. Your feedback is very important to me as I look for ways to improve and enhance our policies and procedures.

I would find it helpful if the center offered a meal plan that would allow for lunches/snacks to be provided daily instead of me bringing in my child's lunch each day. Y N

I would be interested if the center offered a "Parents Night Out" one Friday of each month. Y N
